RETIRED ATTORNEY OFFERING AT YOUR HOME
SERVICES FOR WILLS AND POWERS OF ATTORNEY

I, Louis Garrot, have retired from my 43 year law practice in Abbeville and Vermilion Parish. Over the last year, I have resigned and relocated many, many for clients who read this newspaper notice and call on me for this important work to be done.

Unless you have a child under the age of 24 or are any age at your death (other than being of mental incapacity or physical infirmity is permanently incapable of taking care of his person or property), at the death of your spouse, you are entitled to a written遗嘱.

Louisiana Law provides automatic inheritance without a will to classes of survivors such as surviving children, collaterals and parents, but you will need to execute an enforceable will if you desire to leave all or parts of your estate to non-relatives, or if you want to be specific as to who inherits what.

Dying without an enforceable will means that Louisiana Law determines who will inherit what. Learning an enforceable will allows you to control the portion which specific person will inherit specific assets from you.

With wills and other law you have in your home, and will be forever enshrined in your home. My services will be from $150 to $300 - with no additional costs or expenses - and the client will receive a written binding quote before I leave your house. My services will be from $150 to $300 - with no additional costs or expenses - and the
